# YEAR GROUP EXPECTATIONS

# Year R

In this booklet you will find a list of the age-related expectations (Early Learning Goals) for your child's year group. By the end of the year, your child must be able to demonstrate they can reliably and consistently meet the descriptors, in order that they can be assessed as meeting the age-related expectations for their year group. At Parent Consultations we discuss your child's progress towards these expectations and at the end of the year you will be told whether your child has met or not met the Early Learning Goals.

It is important that you are aware of the end goal for your child so as we can all support them in achieving this.

We thank you for your support in helping your child achieve these statutory goals
