Working together at St Lawrence CE Primary School

	The school will…	A pupil will…	A parent will…
Our Aims	Provide a loving, safe and secure learning environment where every child is encouraged to be resilient learners.	Embrace all aspects of learning showing aspiration and curiosity in the world around me.	Talk to my child about their learning and encourage them to participate fully in school life.
Our Work	Provide a fully researched knowledge - based curriculum with innovative and engaging task design.	Work hard at all aspects of classwork understanding the importance of effort and not giving up.	Support my child by reading to and with them daily. Help them to learn their times tables and facts from their knowledge organisers.
Our Home/School Links	Provide parents with regular information about their child's learning. Meet with parents whenever there is a concern.	Talk to my family about aspects of my learning. Enthuse them with the things I have learned!	Attend meetings and special events at school and share all relevant information with the school (such as change of address or mobile number)
Our behaviour	Promote good behaviour by explicitly teaching about respect and equality. Model mutual respect towards all throughout the school.	Show respect to everyone in the school. Be polite and well mannered.	Support the school to ensure my child is always polite and respectful of others: in school, out of school and on-line.
Our Attendance and Punctuality	Monitor attendance and punctuality and contact parents where there are concerns.	Arrive at school in plenty of time and attend daily except when very poorly.	Ensure my child attends school daily except when very poorly and arrives punctually. Encourage independence by saying goodbye at the school gate. Arrive punctually to pick my child up.
