Our School's Vision & Values

**"Let your light shine!"
Matthew 5:16**

OUR VISION IS TO “LET YOUR LIGHT SHINE THROUGH OUR VALUES OF LOVE, COMPASSION & RESPECT.”

At St Lawrence CE Primary School,
everyone shines because:

- We believe it is important that every child recognises the inner worth of every human being starting with their unique selves.
- We are passionate that our children understand the value of connecting with others through building bridges both locally and globally.
- We encourage our children to engage and fall in love with learning; fostering a sense of pride in themselves and their achievements
- We believe that as a caring loving Christian community all our children can make a positive difference in the world through acts of kindness within our school community, supporting charities and being trailblazers for local intergenerational links.

These values inspire all members of our school family. They are lived out in all that we do. They reflect our shared beliefs and our commitment to create a happy, collaborative and empowering school community remembering the words of Jesus:

“Let your light shine In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. .”
(Matthew 5:16)
