

OUR SCHOOL VALUES

GOD THE FATHER

God has shown us the promise of His love in the rainbow that appears in the story of Noah. Through His example we learn to love one another and be loved.

LOVE

GOD THE SON

God showed respect to us through the sacrifice of His only Son. We should respect the suffering of Jesus by showing respect for all.

RESPECT

GOD THE HOLY SPIRIT

God's Holy Spirit was given to us and comes alive when we show compassion for each other, our community and the world that God created.
